- **Attributes:** Drops has more than a little hint of crazy about her and likes to get noticed. She has no interest in the rules and is all about unique style. And that means going bigger, bolder and getting there first. She loves a collab or a limited edition piece. Anything that feels too flamboyant to be wearable in real life feels like it's just the start of the outfit. There's no such thing as too much.
- **Key brands:** Telfar, Charlotte Knowles, Nike, MM6, MSMG
- **Key quotes:**
  - "Good things come to those who don't wait in line."
  - "Bragging rights you can wear."
  - "Get a second chance at one-offs."
  - "Some have it... some don't. And by some have it, I mean me. But tomorrow's a new day, who knows what it'll bring. Hopefully the matching tracksuit."
  - "Some have it. Some don't. Literally."
